LOST AND FOUND

It was lost and now has been found. What was it? If you can tell the Executive Secretary exactly what, where, and how it looks you can claim it. Here are a few hints!

One of our members turned over to the Executive Secretary an amount of money that had been picked up near the meeting hall in the Grand Bahamas. It was one paper bill. It was folded in a certain way. If you lost it, if you can tell the denomination, if you know how you folded it, then drop the Executive Secretary a note with all this information so that he can give it back. If it is not claimed the money will be deposited in the Seed Pod account.

NEW INFANT CHAPTER

The Gulf Coast Chapter of the American Hibiscus Society was organized in May. Mr. Eric Golby installed Mr. R. E. "Red" Dragoo as president. They will meet on the Second Sunday of each month and will draw from Venice - Nokomis area.

This group will bear watching. We are told that they are full of enthusiasm and are going to give the old chapters a run for their money. They started out with approximately 20 charter members and are sure of more than this in the near future.

Good luck, Red. We are all happy with our new "Baby".

HELP, WE ARE IN NEED

The American Hibiscus Society needs a "Sugar Daddy" with some cash who needs an income tax deduction. If anybody knows of such please latch on to him and tell him that the AHS needs a multilith printing machine.

The time has arrived when we need to start printing the "Seed Pod" rather than mimeographing each issue. In this way we could give a much more professional appearance and we could use pictures. There are other
